Upper Cervical Patient Education Made Simple

Upper Cervical Corrective Health Care

Golf Personalized Sport

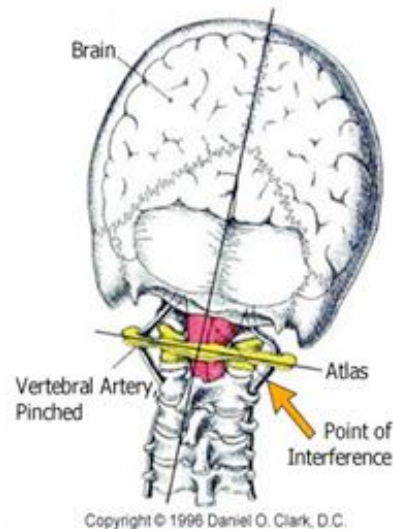

Purpose:

Each club is designed to enable a golfer to hit a golf ball straight for a predetermined distance.

Results:

It's up to the golfer to develop his personal skill for maximum efficiency with each club he chooses to use!

Personalized Upper Cervical Corrective Health Care

MISALIGNMENT

Purpose:

Each upper cervical corrective procedure is designed to remove interference at the top of the neck so the body's natural self-healing process can begin.

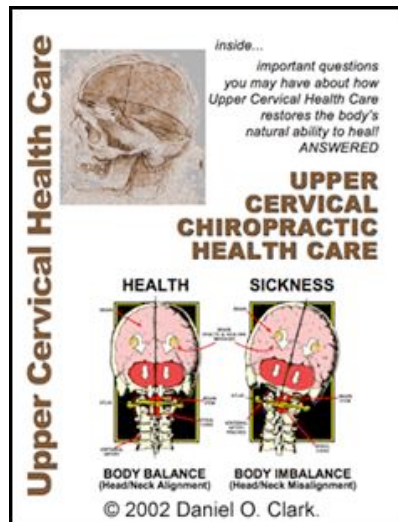

Results:

It's up to the doctor to develop the necessary skill to achieve the required results with his chosen corrective procedure!

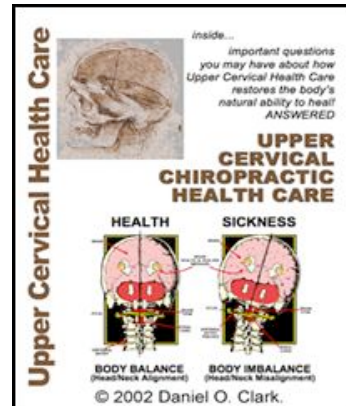

Our Objective:

Create Upper Cervical education material that is logical

and easy for patients to explain!
